

English Room lunchtime activities

The English Room is open every day during lunchtime, from 12:55pm to 1:15pm. A lot of students visit the English Room to chat with our NETs and play a variety of English games including **Zingo**, **Scrabble**, **5-Second Rule** and so on. English helpers from P.4 to P.6 help run the games and interact with the players in English. Visitors collect chops and redeem prizes at the end of each term. It is great to see students having fun and improving English at the same time.
