

Our NET

This is our NET, Miss Jana.

Hello!

My name is Jana. I have been your NET teacher since February 2005.

I am from Vancouver, Canada.

Most of the KS1 students know me quite well by now, because I teach READING programme in P1-P3.

We call this programme "PLPR" and we have tons of fun reading books, singing and learning phonics. Most importantly, we are learning some tricks that will help us read new or difficult words.

Then there is English Club for KS2 students. This year we had about 100 student “members”. We played many games, read some books and newspapers and did different kinds of book reports. Sometimes our students helped with English Assemblies, singing songs or acting out stories. We have also found pen pals in Canada. Some of them live in Surrey, British Columbia and some in Oakville, Ontario. We have been writing emails to them. We sure hope we can keep in touch with them!

Finally, about once a month, you could see me up on the stage with other English teachers conducting English Assemblies and English Days. I think we had lots of fun learning about festivals such as Halloween, Chinese New Year, etc. Sometimes, we do crazy things – such as learning Chicken Dance at Easter time, remember? We had a blast!
