新界西區「兩文三語」菁英大比拼（第三屆） 籌委會主席朱偉明校長

一百多年前香港成為自由港後，我們逐步從不起眼的小漁港成為區內一個重要的轉口港，慢慢亦成為了舉足輕重的國際金融、商業和貿易中心，當然亦是享譽世界的旅遊和購物天堂，每年都吸引大量遊客到訪。因此，具備良好的英語水平、流利的普通話和粵語能力，對增強我們在國際上的競爭力是至為重要的。

由香港港城西北扶輪社、珠海學院和鐘聲慈善社胡陳金枝中學聯合主辦的新界西區「兩文三語」菁英大比拼已經是第三屆，雖然今年受疫情影響，不過，參賽人數不跌反升，反應之熱烈實在令人鼓舞和感動！而參賽同學

的態度十分認真，旗鼓相當，表現非常出色，競爭亦非常激烈。同學們都可以掌握兩文三語的表達技巧，可以說是中、英兼擅，整體水平相當接近，評委們對參賽者都讚不絕口。

今屆新界西區「兩文三語」菁英大比拼得以順利舉辦，實在是有賴各方面的參與和努力，在此再次感謝香港港城西北扶輪社、珠海學院及本校鐘聲慈善社胡陳金枝中學的積極支持，期望未來通過多方合作，繼續提供平台給香港學生展示「兩文三語」的能力。

港城西北扶輪社王子達社長

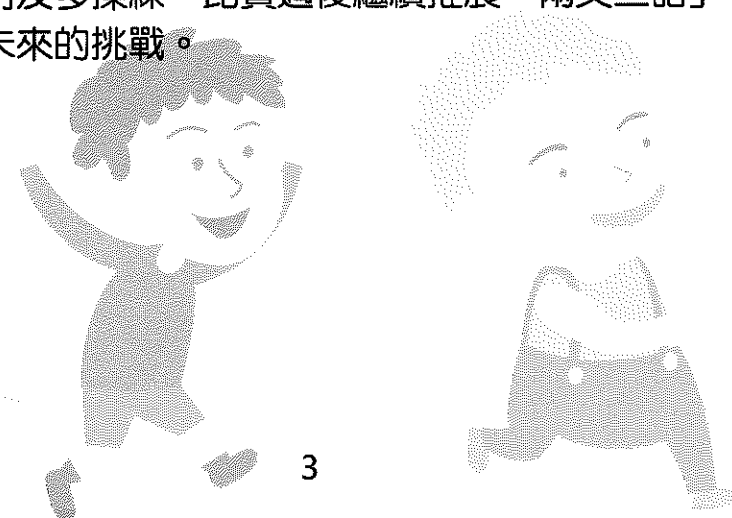

港城西北扶輪社一向重視青少年發展項目，多年來籌辦過不同數型的教育及職業活動，為基層青少年推廣科技教育，文化交流，協助少數族裔青少年融入社會。

香港作為一個國際大都會城市，要在世界經濟上爭取佳績，同學必須擁有良好的中／英語能力，而中國在國際經濟及貿易上扮演的角色日益重要，充分掌握普通話語文能力，多了解祖國國情，才可以把握自身優勢，有效地與內地和國外溝通、合作及發展。

今年已經是第三屆比賽，很榮幸港城西北扶輪社與鐘聲慈善社胡陳金枝中學合辦新界西區「兩文三語」菁英大比拼，並得到珠海書院協辦，本社祁理海前社長亦慷慨捐贈種子基金，支持此項目日後持續發展。

今屆的新界西區「兩文三語」菁英大比拼在新型冠狀病毒的疫情影響下得以順利完成，多謝校方、各師生的努力，在沒有面授課堂情況下，仍然達到很高的水平。本屆整體分數相當接近，尤其是各位同學表達的聲調、語法、神韻、肢體動作等也能發揮得流暢自然，相信必定下了很大的苦功。在此特別讚許本屆之參加學生。

最後希望各位同學繼續努力，除了比賽之外也能適當地運用「兩文三語」在日常生活中，多運用及多操練，比賽過後繼續推展「兩文三語」，達到共同學習的目標，迎接未來的挑戰。

母親最美的時候

中華基督教會何福堂小學 黃景業

今天我生病了，我躺在牀上，甚麼也不可以做，但惟一可以做的事情，就是看着媽媽忙碌地照料着我的身影，平常的她總會打扮得漂漂亮亮，但今天的她有一點不像，看見她蓬頭垢面的模樣，為了照顧我，犧牲了打理自己的時間。

看到這個情況，霎時間，我的眼眶起泛淚光，媽媽看見我淚珠盈眶的樣子，便拿起紙巾輕擦我的臉頰，當她俯身靠近的時候，帶來親切溫暖的感覺。

媽媽就彷彿像一位小天使般地守護着我，帶給我溫暖和安全。

在晚餐的時候，媽媽為了生病躺臥在牀的我更易進食，特意煮了容易吞嚥的清粥味道雖然清淡，卻讓我感受到滿滿的關懷及愛意，要知道我的母親平常不是個愛下廚的人呀！

其實，媽媽在我眼中的美，並不在外表上的光鮮亮麗，而是在她打從心底裡展現的母性，彷彿在她身上打了鎂光燈般耀眼，讓我的眼光忍不住聚焦在她身上，是別人無法取替的美，這就是媽媽最美的時候。

母親的愛像...

順德聯誼總會伍晃端小學 黃子茵

母親的愛像太陽，
溫暖、熱烈。
她無私地給予我們愛的滋養，
從不求回報。
母親的愛像避風港，
強大、可靠。
她伸出溫柔的雙手，
把我們捧在手心呵護，
不離不棄。
母親的愛像明燈，
光亮、清晰。
她為我們指引正確的人生方向，
引領我們做一個正直的人。
母親的愛像大海，
無邊無際。
她的無限包容與支持，
是我們勇敢向前的動力。
母親，謝謝您給我們的愛。

母親我想對你說

保良局西區婦女福利會馮李佩瑤小學 林卓恩

二零二零年十一月二十一日

媽媽，您是我的太陽，您是我的明燈，為我照亮着我的前路！不管風吹雨打，還是困難重重，您總會在我身旁遮風擋雨，照顧着我，鼓勵着我。

媽媽，有一次在我差點跌倒時，你馬上衝前護着我，卻因而跌傷了脊椎骨，直到現在還不能完全康復。但媽媽您一直忍受着痛楚，無怨無悔地繼續照顧我的起居飲食。我感到很痛心，很後悔當時自己那麼貪玩。我要真誠地跟您道歉，答應您我不會再頑皮，不會再讓您操心，不會再讓您受傷。

媽媽，感謝您給予我無窮無盡、如陽光般溫暖的愛！我會牢記您的教誨，好好學習，努力成為一個令您引以為傲的好孩子。媽媽，我愛您！

母親最美的時候

台山商會學校 鄧文軒

在每個人的心目中，母親都是最美麗的。

母親最美的時候，不是她濃妝豔抹，花枝招展的時候，也不是她穿晚禮服，踩着高跟鞋的時候，而是母親無微不至照顧我的時候。

記得有一次，我生病住院的時候，媽媽一夜沒合眼，坐在我旁邊，清晨我醒過來，看到媽媽那憔悴的臉，佈滿紅血絲的雙眼，輕輕的問一句：「寶貝，好點了嗎？」那一刻我覺得母親就像天使一樣的美。

時日過去，母親的臉上多了皺紋，頭髮變得稀疏。儘管如此，在我眼中，每一天都是媽媽最美的時候。

母親我想對你說

保良局西區婦女福利會馮李佩瑤小學 蘇巧賢

外面的世界多麼精彩，千言萬語也難以表達我的心意。我衷心感謝您懷胎十月，把我帶來這個燦爛的世界。您是我的啟蒙老師、我的百科全書、我的指路明燈！從我牙牙學語時，您就用心地教導我不同的知識，灌輸我正確的價值觀。我犯錯時，您總會指出我的錯誤，希望我可以改過。感謝您為我付出的一切，總有一天我會讓您為我感到自豪，我愛您！

母親我想對你說

中華基督教會何福堂小學 黃婉晴

媽媽，您在我心中，就像一位多功能的女超人。雖然您樣子平凡，但是您在各方面樣樣精通，在我眼中是無所不能的。

在做家務方面，您就好像勤勞的蜜蜂，不僅做得快，而且做得又好又徹底，做不好就絕不善罷甘休。

在廚藝方面，您就好像一位頂級廚師，普通的食材經過您的手，就能變成一道道佳餚。我覺得最幸福的事是每天都能吃到您做的菜。

媽媽，我真的為有您這一位媽媽而感到驕傲和自豪。

母親我想對您說

保良局西區婦女福利會馮李佩瑤小學 黎曉勤

媽媽，您整天辛勞地照顧我，讓我茁壯成長，就像一位辛勤的園丁，悉心照料她的幼苗。當我在比賽中獲獎，您總是第一位給我鼓掌的人；當我情緒低落時，您經常說出鼓勵的話讓我重新振翅高飛；當我生病或受驚時，您經常和我一起並安慰我。您對我的愛是永恆的，是潔淨的，是無條件的。您對我的愛像夏日裏的一股清泉，滋潤着我的心田。

媽媽，我想對您說聲：「謝謝！」

母親我想對您說

通德學校 葉紫瑩

媽媽，自我出生開始，您便轉了一份新工作——家庭主婦。

媽媽啊！您知道嗎？在白天，您是百變小寶貝，擔當着教師、廚師、情緒指導員和管家等不同角色。到了晚上，您搖身一變，變成神話故事裏的天使，把玩着神奇的魔法棒，讓我得到閃爍的光芒。

媽媽啊！我萬分感謝您那無微不至的愛，但願我能用您給我的光芒，回饋你的餘生！

母親最美的時候

仁濟醫院羅陳楚思小學 崔鋒為

月亮不知不覺地爬上中天，將它皎白的水袖撒向大地，四周一片靜謐。而我，卻在無窮無盡的作業之山中尋找出路。咦？為什麼客廳還有微弱的光線？轉頭，只見母親坐在沙發上，看着電視默不作聲。顯然，她一直守候着我。一旁，一杯早已端來的牛奶靜靜立着，暖暖奶香緩緩蔓延，我的心也被這溫暖融化。

母親，這，就是您最美的時候！

母親我想對您說

保良局西區婦女福利會馮李佩瑤小學 陳頌軒

母親，謝謝您這十一年的幫忙和教導！

母親，謝謝您。從我牙牙學語，到開始學步，都是您呵護著我。是您在我生病時，鼓勵我戰勝病魔；是您在我悲傷時，安慰我、溫暖我心。沒有您就沒有我，所以，媽媽，謝謝您！

母親，對不起。頑劣的我常常要您為我操心。除了擔心我沉迷電子遊戲和誤交損友外，您還為了我的學業，日以繼夜、夜以繼日地勸導我專心學習。我卻常常對您發脾氣、抱怨您。其實我心深知道您是為我著想。

母親，我想跟您說一聲：謝謝您，對不起！請您原諒我以往的任性，從今以後，我定會努力，不辜負您的期盼！

Do you have a loving and considerate mother? When I was born, my mother got a new job - "Housewife". She takes care the family with all of her love.

My mother loves swimming very much. One day, my best friend and I went swimming with ours parents at the beach. However, we didn't know how to swim and went into the water without blisters! Suddenly, my best friend treated me as a blister and pressed me into the water! "Oh my god! We are drowning! Help!" I screamed.

Luckily, a huge hand took us out of the water. Oh, this huge hand was my mother's hand! She took us to the shore immediately. Finally, we were safe. I was thankful for my mother because she is always loving and caring.

Oh mother! Thank you so much for your help! I hope I can be a cannabis eagle to protect the rest of your life. I love you!

My mum and I shared many great experiences together. The most unforgettable experience was our trip to Wuyi Mountain in Fujian, China when I was eight.

In the freezing cold morning, we got up early because we planned to have an exciting rafting adventure in the Wuyi Mountain. We had our breakfast and set off from our hotel by taxi. After a while, we arrived at our destination.

We were so excited about the rafting experience. When we were on the raft, I enjoyed the excitement and kept screaming all the way. However, I felt really cold since I was almost soaked to the skin. Mum noticed that I was shivering. Therefore, she took off her coat and put it on me. At that moment, the warmest feeling was surrounding me which I couldn't describe in words.

It was a wonderful trip and I really enjoyed it. I am so glad to share a memorable moment with my mum.

After the joyfulness time in the beach, mother and me went to McDonald's restaurant to ate yummy ice cream!

She takes my hand, together we fly to the boundless universe where we explore the uncharted space. Engulfed in the forest lawn, let us watch the vast Milky Way under the starry sky.

She takes my hand, together we fly across the African savannah and race against the big five. Dive into buoyant waters of the Pacific Ocean, let us count the colors of the underworld.

She takes me hand, together we travel to every corner of the world, living between letters and lines of untold stories until I live them in my dreams.

My ideal robotic supermother, she loves; she leads; she teaches; she takes me to different places in the world... if only she knew, she... is my world.

I have been a huge fan of Disney since I was 3 years old. I watched all the movies and cartoons that were produced by Disney. I love the princesses and cartoon characters.

Last year on my birthday, my mother prepared a surprise trip for me. She brought me to Disneyland.

We went on two roller coasters including Space Mountain and Ride High. It was very exciting. We screamed a lot.

After playing the exciting games, we saw the mascots parading through the theme park. I took tons of photos with the princesses I love. It was absolutely amazing.

My Mother brought me to have a buffet in the Disney Hotel. My favorite cartoon character, Mickey Mouse, appeared in front of me with a birthday cake on his hand. He sang a birthday song to me too.

It was the happiest birthday of my life and the most unforgettable moment between me and my mother. I appreciated that my mother spent a lot of time preparing this surprise for me.

As the night fell, the moon climbed onto the sky, shining brightly to my room. Sitting under that beam, I was staring at my desk dazedly – I've lost in the writing competition.

'Henri?' A small, but caring voice came behind me 'Mum?' 'The flowers have bloomed! Come on!'

I followed my mum and slowly walked out of the room. On the table was a bunch of white flowers, swinging beautifully in the breeze.

'See, Henri, a few days before, there were just a few buds. Look! How beautiful they are now! It's Just like everyone...'

I suddenly realized something: Before success, I need numerous trials, just like the blossoms – before blooming, they need long preparation.

My sadness flew away quickly. I realized that Mum brought me here to bring me out of the shadows. I smiled brightly at her.

And this, is the very moment I will never forget.

My ideal robotic supermother is extraordinary. She does not only cook well but also dance beautifully. Besides, she must help me finish my homework neatly and tidily. Honestly, I am a very lazy girl. I do not like doing homework. I do not like writing either. I like dancing. I like eating too. That's why I need robotic mother which is good at cooking and dancing. She also can comfort me with nice words and make me laugh when I am sad. Last but not least, she never ever shouts at me, even though I am very naughty.

What do you think about my ideal robotic mother? Is she good enough?

Thank you to my dearest mother, you always stay here with me and you make me feel safe.

I remember the past. I sometimes messed things up. However, you didn't angry at me, you talked to me patiently. You brought me to different countries in vacation. You let me learn more about the world. Through the journeys, I gained lot of knowledge. I realize that I am so lucky to have those chances and your companions.

In the future, I promise I will study hard and to be proud of myself.

The most greatest love is maternal love

When I was a kid, my mom was an office woman. She was busy all days and nights, so she did not have enough time to take care of me. Due to her hectic work, I even couldn't see her when I woke up. When I went to bed, she just came back to home. As a result, I always think about if mom still loves me. Suddenly everything got changed one night.

That night, I was too sad. I wanted to tell mom how much I loved her, so I waited for her to come back to home. When she arrived home, she saw me and felt very surprised. She was freezed for a while and asked me why I did no sleep. At the moment, my tears ran out of my eyes. We chatted with each other for a long time.

Finally, I solved the problem with my mom. I told her to talk to me when she had time. I learnt an important thing that love does not need words and can be proved by action. Thank you, mom.

My heartfelt gratitude to my mother

11 years ago in a hospital, an adorable baby was born. Yes, that was me! That night, my mom was giving birth to me hardly. When I was born, my mother was extremely delighted. She was over the moon! Every time my mother tell me this story, I always listen it concentratedly. I'm so glad that I was born on this world. And, my mother done this job, surely. Therefore, I always gratitude my mother that she was willing to give birth to me. She could decide to not give birth to me. She could have a casual life. But she didn't. She decided to give birth to me. So, I just want to say to my mother, "Thank you mum!"

母親的愛像...

荃灣公立何傳耀紀念中學 周詠悅

母愛是春夜無人知曉的細雨，是黃昏穿過松間的晚風，是清晨的陽光，陪伴在你不經意的時候。

母親，縱然您是一名普通的家庭主婦，學識不多，只是平平凡凡地工作，平平凡凡地生活，但您在我心中卻佔着無人能及的超然地位。您是春日裏的甘露，能在悲慟的日子喚起我那風乾的記憶；您是夏日裏的綠蔭，能在烈日當空之時撐起我的藍天；您是秋日裏的陽光，能在蕭瑟的風雨中溫暖我的心田。

母親，感謝您給了我天下間最無私、最偉大、最真摯的愛，請允許我在漫長的人生旅途中好好報答您。

母親是一條延綿的路，無論你走得多麼遠，那悠悠的牽掛、諄諄的叮嚀，永遠都會與你結伴同行，為你護航。

母親最美的時候

荃灣公立何傳耀紀念中學 丘欣巧

母親最美的時候，我卻徹底錯過了。

我家掛着一張照片，照片裏的母親牽着我的手，陪着蹣跚學步的我。帶着些泛黃的照片，卻些許沒有遮蓋母親溫柔的目光。笑容可掬的母親，似乎令冰冷冷的照片多了絲溫暖。

母親最美的時候，我又再一次錯過了。

望向在廚房努力為我們準備晚餐的母親，額頭上滴着汗。比起照片，母親臉上似乎多了些皺紋，多了絲憔悴。但母親的目光，繼續陪着我的成長。

母親最美的時候，我不會再錯過了。

時光飛逝，我不再是那個走路踉蹌的小孩子，時間慢慢偷走我的母親，但現在我已長大，學會珍惜了。

我的媽媽永遠是最美的。

破舊錶面上是歲月留下的劃痕，錶內零件依然分秒必爭地轉動。秒針用她無畏的心探索着未知的路，她總是默不作響地牽引着分針，抗住了傷痛。

從小到大，我都是一隻雛鳥。矯生慣養的我總對父母大呼小叫，根本不懂體諒他們。母親每日也很勞苦，下班回家又要操勞家務，積勞成疾。一天，她終於暈倒了。在醫院，我看着她那張腊黃的臉，凌亂的髮絲以及病若秧苗的身軀，不忍想像曾有多少傷痛灌注在她的肉體裏。

記得我一次生病，母親馱着我跑去醫院。她紛飛的髮絲和溫暖的懷抱無時無刻地觸動着我的心房。那是母親最美的時候，它會像愛一樣化作倩影，永遠搖曳在我的心中。

母親是冬日裡的第一束陽光；母親是秋天的一份糖炒栗子；母親是夏天的涼爽的空調；母親是春天明朗的花朵。母親是我在人生路途中遇到的最美麗的一位指路者。

母親在我眼裡最美的時候便是她最輕鬆的時候，我們一同坐在沙發上看着節目，一起聊天。彼此輕鬆的談論著工作和上學發生的有趣的事情。在這個時候，我們拋下生活的瑣事暢快地聊著，看到得不再是她繁忙忙碌的神情。

不是做飯時焦急翻炒的模樣，不是早上準備早餐怕時間不夠的模樣，不是回家路途遇到塞車煩躁的模樣。這是她最輕鬆的模樣。

有一個人，她最偉大；有一個人，她最勤勞；有一個人，她最細心；有一個人，她最神奇。她是誰？她就是——我的母親。

1歲，我在媽媽溫暖的懷裡安靜地睡。

2歲，我在媽媽寬廣的背上盡情地滾。

3歲，我在媽媽厚實的手間放心地走……

如今15歲，仍是離不開媽媽。

當皺紋慢慢爬上母親的臉龐，當風霜染白母親的青絲，當雨水浸裂母親的雙手，當歲月壓彎了母親的背。女兒哭了，母親卻笑了。

媽媽我想對你說：「女兒長大了！雖然我不會用一系列感人的話語對你訴說我心裡話，但是我一定會和你說的就是，媽媽謝謝您！媽媽我愛您！」

如果要說母親的愛像甚麼？那一定就是一棵大樹了。母親像大樹般為我遮風擋雨，為我擋下學習的壓力，鼓勵我；為我分擔學習上的負面情緒，開導我。

每當我遇到困難時，母親從來都是毫不猶豫地向我伸出她的雙手。她時時刻刻都會在我身邊守候。當我經歷風雨時，她總像大樹一樣擋在我的最前端，她是那樣的勇敢。

母親的愛宛如那棵不知名的大樹，我是從不知道，她是如此愛着我，整天都抱怨母親不要那麼煩，但她從不放棄我，並在背後為我歡喜，歡喜我的成功。

母親的愛有如大樹一般，從不會因時間的流逝而改變，這就是一個平凡母親的愛，永不枯萎。

記憶中，母親沒有怎麼精心打扮過自己。有人說，美是體現在外貌上，但我認為，真正的美是體現在心靈裏。

記得一天清晨，天還沒亮，我懵懵懂懂地睜開雙眼，經過廚房，看見一個熟悉的身影，我心想：那不就是媽媽嗎，可是現在才四點多啊！我便問道：「媽，你怎麼那麼早起來？」她笑道：「我每天都要為你們準備健康的紅豆粥啊！」我看着母親，看到她額上的汗珠、臉上的皺紋、手上的老繭。我知道，那都是她為我們辛苦付出的最好印證。那刻，母親在我眼中是多麼偉大和美麗。

母親最美的時候，就是她為自己的家人不求回報、默默付出的時候。

這世上甚麼食物最好吃？當然是媽媽們做的飯菜啦！

母愛真的是很無私的，您每天上班那麼辛苦，下班卻要回家做飯、洗衣、做家务。

記得有一次，你病倒了，在醫院住院，做檢查。那天，我整個人心情很不好。回憶過去，我很害怕你會離開我們，於是，我躲在角落裏痛哭。到了晚上，我又忍不住想起過往事，你總是把好吃的食物讓給我，總是跟我講道理。每次想瞭解你的病情，我都會等到爸爸下班著急地問幾句。我又不肯打電話給您。突然，您給我打來了視像通話，我故意掛了你的電話，假設自己很忙，不想讓您擔心，過了五分鐘後，我才敢打電話給您，我們倆看了看對方沉默一會。我著急地問：「你身體沒事了嗎？」您帶著笑說道：「還沒，哪有那麼快。」我敷衍地說了一句：「那你沒事，我就掛電話，您好好休息。」可當我掛了電話，我的眼角已經開始濕潤了，眼淚情不自禁地流了下來。這是我第二次痛哭。晚上爸爸告訴我：「你媽媽下星期可以出院回家了」。

媽媽回到家，我們互相擁抱彼此，在您肩膀上偷偷地流下眼淚。我擦乾眼淚。對媽媽您說：「謝謝您，您辛苦了！」

媽媽，謝謝您的養育之恩，謝謝您對我付出了一切，謝謝您把我帶到這世界上！你對我的愛，我一生都忘不了！

我的媽媽不但長得漂亮，而且心靈很美。熱心的她經常助人為樂，這張照片是上次去杭州旅遊媽媽在西湖邊的照片。

當時有位外國人向她問路，她詳細地告訴他要經過的路線及景點，正當他謝過要走的時候，猛然看到旁邊有「杭州西湖」這幾個字，於是止住步，請求媽媽幫他拍照留念，媽媽欣然同意，認真地給他拍了好幾張照，讓美麗的西湖永遠留在他的印象中。

外國人離開時，他一直朝媽媽揮手，並且連聲說：「Thank you! Thank you!」也就在那時，我「咔嚓」一聲記錄下媽媽最美的瞬間！

晚上，媽媽正在廚房裡熬雞湯。高壓鍋的排氣閥發出一陣陣的漏氣聲，媽媽在悶熱的廚房裡不斷地冒出汗來。煮飯是一件辛苦的事，要忍受熱烘烘的環境，更何況是需要熬幾個小時的雞湯呢？

媽媽的愛就像一隻辛勤採花粉做蜂蜜的蜜蜂，蜜蜂在生活中為了採蜜而付出的艱辛，就像媽媽為熬湯而流下的汗水。

次日放學回家後，我把媽媽熬的湯倒出來加熱煮麵吃。喝了一口熱騰騰、香飄飄的雞湯，熱氣撲面，雞湯湯味醇厚，讓我齒頰留香。一股暖氣從口中慢慢流到胃中，因寒冷的天氣而凍僵的手腳漸漸回暖起來，胃裏和心裏也覺得暖烘烘的。

My ideal robotic supermother

Sometimes, I tend to think that my mother is far from flawless. She has issues everywhere. How intriguing it would be if I had a robotic supermother!

Having a working robot at home is already very exciting. It makes conversation a lot more interesting. I'd be stunned by how competent a robot is at doing instant communications and even learning new things! It feels a little weird to communicate with something that has no soul. Now, assuming that my mom has implemented a chip into her head. It is definitely worth the anticipation.

If I had a robotic supermother, she would be knowledgeable about everything in the world. I can finally satisfy my curiosity. She can answer all my questions with her intelligent brain. Moreover, she can solve all my difficulties in my assignments. She would search in her database and give me inspiring ideas for writing engaging essays.

If I had a robotic supermother, I'd tell her to cook my food all the time. She would cook more scrumptious food controlled by programs. The food would surely be more appetizing.

No matter how ideal it is, I want a human mother more. She is an actual human with a soul. Every time she rebuked me, it feels real unlike words that are programmed to come out of a robot's speaker.

Have you ever thought that your mum is just like a busy bee which keeps flitting around and moaning at you – 'Why is your room always so messy? These T-shirts, those socks... clean them up before dinner! Otherwise...'

Well, honestly, I did! I often imagine what would happen if I had an 'ideal robotic supermother'...

I wish that my mother would play computer games with me in my leisure time, but not force me to tidy up my room and do Mathematics exercise.

I wish that my mother would buy lots of snacks for me, but not say they are unhealthy and force me to eat lettuce, cabbage and broccoli!

I wish that my mother would lower her expectations of my school results, but not expect that I could get 90 marks in my tests and exams, even though I work really hard!

These used to be what I always imagined my mum would be an ideal robotic supermother, but eventually, I have learnt that my mother really cares about me. She is not ideal or perfect if she is a robotic one. She is not a supermother, but she is my dearest mother.

My mother is the most crucial though considerate person that I have ever met. She always demands me to be the best and tells me not to count myself in short. When I do something wrong, my mum will always be strict to me. Therefore, I believed that she hated me when I was young. Nonetheless, I knew I was wrong when I grew up.

As my mum always requires me to get better academic results, I go all out in every examination, but it never turns out to be what I want. At this moment, I usually get desperate and tears rush out of eyes beyond my control. But my mum will tell me, 'Ooh, close, but no cigar. I believe you can be better!', then I will stop choking up. When I am bustling about my work, my mum will always be by my side, because she knows this can let me have a sense of security.

After having my religious lesson, I have learned how to count one's blessings. And at this moment, I can only think of my mum. I am so grateful to have such a clement mother. You enlighten my heart. You let me have a unique and vibrant life. You keep me grow as an independent and tough girl, Thank you!

An unforgettable moment between my mother and me

I will never forget that moment between my mother and me.

Last month, there was an inter-school dance competition. I was a member of the school dancing team. It was the first time I participated in a competition. But I was sick and the non-stop practice made my illness even worse.

One day, my teammates and I had practice at a studio like usual and we were going to eat out for dinner. Suddenly, my mother called me and asked me where I was. Then, someone knocked at the door. Oh my god! It was my mother! She worried that I ate too much unhealthy food and my stomachache would get worse. She had prepared dinner for me and my teammates also. I hugged my mother in tear and said 'Thank you mother!'

I feel so touched that I will never forget that moment and how much care she gave to me. I then worked so hard to thank my mother for loving me and encouraging me all along. I finally won the competition and I hope she will feel so proud of me.

Today afternoon, I was cleaning my room. I found an old paper box with dust on it. I opened the box, the first thing I saw was the first student photo in my secondary school life. I looked at it and many old memories appeared on my mind.

A few years ago, I was a primary six student who was going to be a secondary school very soon. Although I got great results in my school, I was worried whether I could get into my dream school or not. On the interview day, I was extremely nervous, with my hands sweating and my body shaking. My mother put her arms around me and said gently, 'You can do it, you're always the best in my heart.'

Those magic words made me feel calm and I performed well in the interview. When I knew I could go to my dream school, I was over the moon. It was like the best day of my life and I gave a big hug to my mother. She was delighted with a pleased smile on her face.

I didn't know how to express my love with words and I know I owe her a lot. My mother is always my greatest supporter. She helped me a lot when I had to choose a secondary school. The process wasn't easy and she was definitely as nervous as I was, but she comforted me at that time.

Years passed and I wish it isn't too late to say 'Thanks, Mum!'

It was a breezy Saturday morning. I was forced to accompany my mother to visit a robot exhibition. Different robots were displayed.

"Stop playing your phone!" murmured my mother. I was annoyed. I turned my face to the other side, thinking of an ideal robotic supermother.

The robot mother would be less annoying than my mother. It must have a gorgeous appearance, a kind voice and unique abilities. It could climb outside the house and clean the windows, do all the housework in only ten minutes and order any food I wish to eat immediately. It would never complain about my problems. It could also make money easily. It should be clever enough to answer all my questions. How perfect that would be!

An eye-catching robot caught my eye. I walked towards the robot, leaving my mother behind. It was a humanlike female robot with multiple functions. Just when I cried for my mother, I realized that we were separated!

I was helpless at the moment. I shook the robot, wishing it would help me. After fifteen minutes, my mother managed to find me with the help of an announcement. My mother hugged me tightly. I finally understood the difference between a robotic supermother and my mother. The love of my mother could never be replaced.

I have an ideal robot mom. It can replace my real mother to do everything and more!

My ideal robot super mother is efficient and can finish all the household chore. It can clean every corner of the house. I think if I had this ideal robot mother, the floor and windows of my house would always be clean and the fan would not be dusty. There would be no messy sundries on the table and clothes would not be piled up together. Everything would be neat!

Besides, I think it will wake me up on time like an alarm clock. Before I get up it will prepare a big breakfast. It will take me on picnics and outings on weekends, and it can also help me plan my travel route in advance, so I don't have to worry about getting lost.

Apart from bearing the real mother's housework, it can also do some tasks that a real mother can't do, such as repairing broke furniture, repairing air conditioning problems, and so on.

That's why I want a robot super mom. It's almost omnipotent!

I love my mother because no body has ever given me and she is the only one could love me in this way. I love my mother because she really puts effort in me and takes good care of me. I love my mother because she can inspire me. She always teaches me a lot of life principles.

Even though she is stressed and doing the household chores, she always helps me with my assignments and projects. When we are in need of her, she will try all her best to help us. She is a hero of mine.

Mother, I cannot thank you enough for what you have done for me. You are always there when I need you the most. I love you and I forever will, no matter age or distance. Please know that although you are imperfect, you are still the best mum is the world. I love you.

I am very lucky to have a very good mum and I would like to write to show my heartfelt gratitude to her.

Every night I can enjoy eating varied nutritious and tasty dishes like steamed fish and prawns, tomato soup or fried pork. Mum spends a lot on buying food for us because she always wants to give me the best. But she rarely spends money for her own needs. She saved money to buy me a notebook computer and a smartphone for better online learning, which gives me a lot of convenience. Also, she buys me different types of durable stationery in order to let me enjoy my studies. Yes, mum is always so generous and considerate.

My mum respects me a lot and is my good friend. She won't interfere with my choice too much but she will encourage me to join more competitions and school activities to train myself. She gives me a lot of trust and respect and it helps me develop a lot of confidence in myself. Whatever results in tests or exam I have, she never comments, blames me or compare me with somebody who is better than me. Instead, she always says, "Keep going!". It makes me not arrogant nor inferior and I will not have much stress from my mother as she always support me. Yes, mum is always nice.

I am so grateful to have a great mum in my life!

Thank you my mum,

When I was a child, I had a really bad temper. Everything which made me unhappy, I would have quarrel with you easily and I always shouted at you. But you never scold at me. You are always patient and taught me what is right and wrong. Also when I was a child, I liked to try new things. Everything I told you I wanted to try, you always gave me a chance, so that my horizon was broadened.

When I went to the primary school, I started to be snowed under schoolwork. Sometimes, I felt really confused about it. Everytime I come with some problems unsolved, you always gave me chance and helped me to solve it. You have helped me to come across with many difficulties.

When I went to the secondary school, I have joined many different type of extracurricular activities. The time I came back home started to become late. However, when I came back home, I still have to deal with my homework today. I haven't sit down and have a talk with you for a long time. But you still cares me a lot.

Thank you for your love to me.
